To Whom It May Concern:

It is my pleasure to write this letter of reference for Mr. Brandon Apol. I have had the honor of working with Mr. Apol this school year as the Assistant Principal of June Nelson Elementary School. This is the first year June Nelson Elementary has had a music program and teacher. Mr. Apol developed and implemented a Kindergarten through 5<sup>th</sup> grade program with great success! During my observations of his instruction, I noted he has established high expectations, provided meaningful lessons, and a created positive environment for all students.

Mr. Apol has been a wonderful addition to the June Nelson Elementary School staff. He assisted with several after school activities, such as, cross country, wrestling, and basketball. Seeing a need for math intervention, he began working with a fourth grade class when he was not scheduled with music classes. He is also the first to volunteer when an extra duty person is needed to ensure supervision of students. This willingness to serve is greatly appreciated!

I have no doubt Mr. Apol will be an asset to any school. He is dedicated, professional, eager to learn, and passionate about teaching. He will bring a "can do" attitude to any all tasks. It has been a pleasure working with him and observing him with students. I would classify him as a "natural" to the field of teaching. I cannot say enough good comments about Mr. Brandon Apol. Please do not hesitate to contact me if you would like to hear more positives regarding him and his abilities.

Sincerely,

Dr. Doris Ellison
